Dear Linda:

I am forwarding a letter from a constituent of mine, Mr. Walter M. Plaue of Asheville, NC. He has several complaints about his cable company and was wondering if there is anything that the FCC can do.

I appreciate your assistance with this request and look forward to hearing from you soon.

With warmest personal regards,

Sincerely,

Charles

Dear Sir,

I am writing because I am FURIOUS!!! Last year, Congress passed legislation to regulate the cable TV industry, in order to prevent cable companies from unjustly increasing rates in a non-competitive industry. Now, because there was no "grandfather" clause, cable stations are taking the delay period to gouge their customers (see attached article from the Asheville Citizen-Times). The companies claim the price increases are not related to the legislation but the "coincidence" is just
